Notice MAC AKC Research Projects

In continuation of Notice dated 14.03.2024 to enhance the research culture of the college and to promote student centric research, applications are invited from the faculty for **MAC AKC Research Projects**. The proposed research projects will be student centric and will encourage students to engage in research. These projects are of 12 - 18 months duration and funding for each project is maximum Rs. 2 Lakhs from the college. Details are given in the attached document along with the application process. Faculty may apply individually or with 1-2 Co Principal Investigators.

Applications must be submitted to Administration Office, Diary Section **latest by 1st April, 2024**. General format for the research proposal is attached. Incomplete applications will not be considered.

Prof. Sanjeev Kumar Tiwari
Principal (Offg.)
