Kindly give suggestions to enhance Parent-Teacher Interaction

- Keep it more regular
- Such interactions should take place more often, Conduct personality assessment sessions
- There should be one interaction every semester
- We would like to be more involved with the development process by frequent such sessions
- PTI should be held per semester
- Increase such interaction, Career counselling in future
- More PTI
- Interactive session should be held more regularly, Feedback of the department was helpful
- PTI should be held at the end of each semester
- Good initiative. Hopefully it will continue at least once in a semester
- Good initiative and this should continue
- I will always participate in PTI

How would you like to extend support to the college?

- Keep it more regular
- Such interactions should take place more often, Conduct personality assessment sessions
- By sending my ward regularly, By encouraging her to participate in extra-curricular activities
- If there is any further interaction, I will be present to know my ward's progress
- Anything needed, we will always be there for the college
- I can volunteer in the college in any capacity as suggested by the college
- We are always available for any kind of support the college may need
- In whatever way we can
- I will always extend support to the college for my daughter's future bright life
