Dear Sir

As

SOAD
Assistant

The IQAC and Ranking Committee are currently engaged in preparation of data for MDRA, NIRF and NAAC. This necessitates procurement of data from the College Administration, Accounts department, Library, Departments and Committees as well as data inputs in particular formats.

We seek approval and sanction to revive a student driven innovative scheme "Earn While You Learn" wherein select students are engaged in collection and entry of data enabling them to enhance their experiential learning and team work. Under this scheme students are paid a nominal remuneration as per past precedence (Rs 2500/- per student)

Kindly approve 2-3 students under this scheme so that the work for ranking and assessment and accreditation can be expedited as these have fixed deadlines.
